*I am a Computer Science Major at CSUF and am on track to graduate with a Bachelor's Degree in 2025. I have experience programming in C++, Javascript, Python, HTML, CSS, C, C#, RStudio, and assembly language. I have additional skills in Data Analysis and Cybersecurity, improving on them through multiple career certificates from Google. I applied many of these skills and learned new skills as an intern at Marvel Marketers in the summer of 2023.*
